CRIME BULLETIN

In August 2006 a raid was coordinated by Furzedown SNT where firearms, a large amount of cash and drugs were seized. We have recently been informed that as a result of this, a male has been jailed for three and a half years.

A number of arrests have been made through targeting a small, local gang of youths. Offences have included burglary, criminal damage and theft of moped. Further to this eviction orders are being sought against such offenders where applicable.

As a result of using intelligence led, proactive policing and working closely with our partners, total notified offences are lower than the same period of last year, as shown in the table overleaf. Further to this Furzedown experienced the lowest number of total offences in the whole borough for January and is third lowest for the year as a whole.

SAFER LONDON AWARD NOMINATION

School age robbery has been one of Furzedown's biggest issues. Through a close working relationship with both staff and pupils of Graveney School, the number of victims has been significantly reduced. The Safer Neighbourhood Team is committed to a long term project to keep this crime under control and to continue to bring robbers to justice. The team were delighted to have been nominated for the Safer London Award in recognition of their efforts and success so far.
